Skaters will not be permitted to skate until a signed ice contract, ice rules confirmation and payment has been received.**

ICE ASSIGNMENT PRIORITY – September 1st deadline

First preference for ice assignment will be given to skaters who were enrolled on the equivalent ice time at the end of the previous season, provided their ice request is received by 9/1/09. Secondary preference will be given to continuing SCOM members changing sessions or purchasing ice for the first time, again requests must be received by 9/01/09. On high freestyle/MIF sessions preference will be given to Juvenile and above and will be filled in with Pre-Juvenile skaters as necessary, again with an 9/01/09 deadline. All ice requests will be considered in the order of receipt, as long as all membership fees, ice deposits, and prior obligations are paid in full. **It is especially important that ice requests be returned promptly as sessions may be changed if enrollments are insufficient.**

SKATER QUALIFICATIONS

It is the skater’s responsibility to request only ice time for which they meet the qualifications. They must have passed the appropriate FREESTYLE test levels by 9/01/09. If ice assignments are inadvertently made by the Skating Club of Morris due to inaccurate or incomplete test information provided on the application, **skaters will not be permitted to skate on those sessions and will be responsible for all ice payments where reassignment to a qualifying ice session can not be accommodated.**
